CITY OF MARINE CITY WINTER PARKING PERMIT PROCEDURE UPDATES

In an effort to provide you with effective services from your DPW, ambulance and fire crews, and police department, the Winter Snow Ordinance will be strictly enforced this year for vehicles parked on the street without a valid winter parking permit.

Parking permits may be purchased from the City Offices at a cost of \$10.00 for the non-refundable annual application fee + \$1.25 per parking sticker. For the purposes of determining how many winter parking permits a residence qualifies for, all garages, driveways, parking strips and parking bays on the property will be factored into the parking capacity of the site.

Please take a moment to familiarize yourself with the public parking lots near your residence. If you have any questions or concerns, please contact the City Offices at (810) 765-8846. Winter Parking Permit Applications can be found online at: www.cityofmarinecity.org.
