This event is open to anyone interested in the future of Marine City and the surrounding region too. Business owners, elected officials, organizations, educators and residents are happily encouraged to attend.

DESCRIPTION OF EVENING PROGRAM:

FIT helps communities learn about their strengths and weaknesses through the eyes of first time visitors. In early 2018, Marine City was successful in applying for FIT. As a result, five visitors unfamiliar with the area visited Marine City unannounced. The results of their visit will be shared during this evening forum. Community leaders and residents will be present to hear results, listen to suggestions, and guide next steps.
